

How to help St Owen's with your online shopping

If you register with easyfundraising.org.uk you can shop at many well-known suppliers, including John Lewis, Sainsbury, Argos, Amazon. Just follow these steps:

- Register with easyfundraising.org.uk: you can also register to gift-aid any donations
- Download the reminder, allow the add-on (a small **e** icon which appears on your browser)
- If you want to search online for the best price, do that normally; when you have decided on a retailer, click on the **easyfundraising** icon (**e**) to find if your retailer participates. Some retailers (John Lewis is one) will automatically have an invitation to participate on their own webpage.
- Do your shopping and the donation will be made

If you wish to make a donation please use the link on the website. This link goes to totalgiving.co.uk, which passes 100% of all donations to the Friends of St Owen.
